BY NATURE

SUNWOOD VENETIANS

Nature and quality unite to create the perfect blend in every Sunwood blind. The beauty and characteristics of natural wood harmonises with every interior.

INTO THE WOODS

At the heart of Sunwood is the environment. Not only does Sunwood care about the world we live in, but also about the interior you live in. Wood is a natural insulator, our blinds help keep the cold out during the winter months while the white painted woods reflect the sun to keep your interior space cool during the summer.

ESSENTIAL COLLECTION

Nature's beauty is integral to the Essential Collection. This collection offers thirteen wood colours in a choice of 25mm, 35mm and 50mm slat widths to compliment your interior style. The Essential Collection offers a wide choice of elegant and classic wood stains or a selection of contemporary painted colours.

ESSENTIAL COLLECTION

Carbon

SOFT GRAIN COLLECTION*

Evoking a sense of harmony, the perfectly natural Soft Grain Collection offers a rich colour palette of four luxurious, textured tones, depicting nature's wood grain.

Acacia

**To obtain their unique look and finish, Sunwood Soft grain woods are painted with a wash finish rather than a standard wood stain. Variation in shading and grain may occur.*

Fired Walnut

GLOSS COLLECTION

GLOSS COLLECTION

The ultra-modern Gloss Collection offers a sleek gloss finish in a serene white and cream. Perfect for any minimalist interior, exuding style and glamour.

Gloss Pure

PERFECT GRAIN COLLECTION

The Perfect Grain Collection presents natural originality. Combining urban tones with a contemporary printed wood grain, the collection adds character for an appealing interior. The collection merges seamlessly into any interior for an added urban vibe.

PERFECT GRAIN COLLECTION

PERFECT GRAIN COLLECTION

FAUX WOOD COLLECTION

Emulating a sophisticated wood grain or a contemporary smooth finish, Faux Wood offers 35mm and 50mm slat widths. Crafted using high quality PVC, Faux Wood blinds are the perfect solution for areas of high moisture, such as kitchens and bathrooms.

Orion (w) Vamp tapes

TAPES

Acacia (w) Dove Tapes

TAPES

The addition of elegant tapes can add luxury, style and character to your crafted Sunwood blind. Select from twenty contemporary colours with a choice of unique flatweave tapes to add a stunning harmonious finish. Mix complimentary or contrasting shades to transform your interior space.

ACCESSORIES

CONTOUR VALANCE

The elegant Contour Valance offers a simplistic and stylish finish to your blind. Available in the thirteen Essential Collection colours.

TASSEL OPTIONS

Add the final touch to your blind by selecting one of our exquisite cylinder tassel colours; black, brushed brass, matt nickel and chrome.

CYLINDER

CHILD SAFETY

CHILD SAFETY

Child safety is of paramount importance. Every Sunwood blind is manufactured to the highest standard and in line with Child Safety legislation EN13120, giving you peace of mind that your Sunwood blind is child safe.

MOTORISATION

Sunwood venetian blinds can be motorised to offer ultimate convenience of light control and privacy in the home. At the touch of a button you can raise, lower and tilt your blinds, especially convenient for blinds in hard to reach places.

In conjunction with Somfy, Sunwood venetians can be motorised using discreet battery motors, allowing you to modernise your home whilst maintaining the aesthetics of your décor.

*Motorisation only available for 50mm slats with ladder braid.

MOTORISATION

SOMFY TILT & LIFT 25 RTS

A radio controlled battery powered motor suitable for small to medium blinds up to 2400mm wide and 2000mm drop. Somfy Tilt and Lift 25 RTS allows blinds to be raised, lowered and tilted with ease.

Single mount battery packs and dual mount battery packs are available, and requirements are dependent upon the size of the blind.

SOMFY SONESSE 40 RTS

A radio controlled motor suitable for medium and large blinds up to 2400mm wide and 2800mm drop. Somfy Sonesse 40 RTS offers a quiet drive motor, allowing you to raise, lower and tilt your blinds with smooth convenience.

*Somfy Sonesse 40 WT also available as a hard-wired option powered from your mains supply.

SOMFY TILT 50 RTS

A radio controlled battery powered motor suitable for all sizes of Sunwood blinds enabling convenient control of the tilt of your blind.
